Mr 1-34-12

To

The General Secretary,
to the Government of Mysore,
Bangalore.

Respected Sir,

We the undersigned petitioners viz retired Rank and File of the Mysore Infantry respectfully beg to submit the following grievances for favour of early redress.

During to the reorganisation scheme in the year 1932 we were retired from the Military Service and at the instance of our humble representation the Government were generous enough to grant us lands at a nominal value to construct houses. After some time the Municipal Commission was pleased to allot to us a piece of Government land which was being used formerly as a "Butt Fire Maidan" situated just opposite to the present Muslim's Burial Ground on the Mysore road. This piece of land was formed into 40 sites of 40' x 60' each and were sold at the rate of Rs.50/- each to such of those whose name appeared in the first list of persons, sent to the Municipal Commissioner by our Regimental Commandant.

Subsequently a second list containing about forty names was sent to the Commissioner for providing sites. As no land was available for formation of sites and sale for the second batch and as the Government land aforesaid had already been disposed off the Commissioner took immiediate steps to acquire a piece of private land adjoining the aforesaid Government land, and formed sites. We were then notified that each of us viz those whose name were sent in the second batch has to pay Rs 100/- for each site, as the municipality had to pay for the land acquired, and the matter even now stands at the same stage.

In this connection we submit that each of us got a provident fund varying from Rs.100/- to Rs.150/- in 1932 and we spent as we had to secure rented houses immediately we were sent out from the Military Lines with our families. We are now drawing a poor pension of an average of Rs.6/-each, and it is needless for us to mention here that we are struggling hard for our existance.

While our conditions are so miserable and deplorable we are asked to pay Rs.100/- for each site. Kind Sir, we request your noble self to imagine our future and whether we will be in a position to construct houses at an average cost of Rs.500/- while we are unable to pay Rs.100/- for a site!.

We submitted our humble representation to Mr R. Ranga Rao, then General Secretary and nothing has yet been heard.

Under these circumstances, we now submit, that taking our deplorable condition to your kind heart, arrangement might kindly be made to sell the site to us at Rs 50/- only as was sold to our colleages If this is not possible we can with the greatest difficulty pay about Rs.60/-or 70/- and are quite unable to pay more. Secondly we will be more grateful and irdebted to your noble self, Sir, if arrangements are ordered to be made to pay this sum in four or five instalments in a year.

For which act of kindness ourselves and our children will pray for your long life and prosperity.

We beg to remain,
Respected Sir,
Your most obedient servants

CHIEF SECRETARY 27 SEP 1934 C 27/9.

Sir,

With reference to your letter No. L. 1230-M1 1-34-16 dated 21st August 1934 forwarding for report the petition dated 30th July 1934 received from Messrs. Syed Ismail and other retired Military men praying that the price of Rs 100 now fixed for each site in old Butt Fire Maidan, Mysore Road may be reduced to Rs 60 or Rs 70 I have the honor to state that the cost of acquisition of a portion of S. No. 19 Kari Thimmanahalli village out of which 50 sites are now formed has come to Rs 800 and the cost of forming roads and ~~xxxxxx~~ constructing drains &c for the houses that may spring up in that locality is estimated at Rs 4,200. Thus the total cost of lay-out is estimated at Rs 5,000 which has to be realised by the sale of 50 sites. Hence the cost of each site is fixed at Rs 100 just to cover the cost of acquisition and layout of roads and drains.

The cost of providing water sub main which will cost at least a few thousands has not been taken into account as it would enhance the value of the sites still further.

Under the above circumstances, it is not possible to reduce the prices now fixed.

Out of 50 sites 16 have already been disposed of at Rs 100 to the men recommended by the Chief Commandant. The remaining 34 sites will also be granted to those who

Sir,

I have the honor to state that one Mahomed Khasim pensioned sepoy submitted the accompanying petition to the Dewan praying for the grant of a building site near the Reserve Police Lines. His petition was sent to me for disposal. As no sites were available near the Reserve Police lines, I offered to give him one of the sites available in the old Butt Fire Maidan on Mysore Road. The sites in this area are intended for military men and an upset price of Rs 100 has been fixed. The petitioner agreed to take up the site offered to him: but pleads his inability to pay the upset price. He appears to be in straitened circumstances.

He first purchased a doubtful title site from a private party and lost the site as well its value on account of some civil litigation. He seems to deserve the concession of free grant. I have provisionally allotted him site No. 46 in the Butt Fire maidan. I request that sanction of Government may kindly be obtained to give the site to him free.

I have the honor to be,
Sir,
Your most obedient servant,

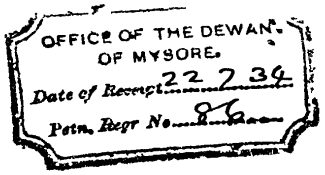
To

THE DEWAN OF MYSORE,

B A N G A L O R E.



Respected Sir,

I, Muhammad Khassim, Pensioned Sepoy, residing at Mysore Road, Bangalore City, invited your kind attention to all the circumstances in connection with a site which I attempted to purchase from N.Sanjeevaiah who - ultimately defrauded me to the tune of more than Rs.500/- without giving me any satisfaction regarding that amount in spite of a decree having been obtained against him and Execution Proceedings started and warrants of arrests - taken.

2. When you were at the spot near the Police Lines on the Mysore Road two days ago, you were kind - enough to intimate to me that you would be pleased to direct that site would be granted to me nearby as a sort of recompense for the loss sustained by the conduct of the gentleman concerned.

3. I gratefully recollect not merely this promise but also the amount which you gave me then and there on the spot to feed myself and my children with on that day. The sum is valuable not merely to me but to the entire population of that locality not merely because of its money value but as a symbol of your ever-flowing - sympathy and generosity towards your poorer fellow-subjects of His Highness. This incident is the talk of this portion of the town for the last two or three days.

4. I, my little grand-children will be placed under an immense and deep debt of obligation if you can kindly be pleased to direct the concerned subordinates of yours to put into immediate effect the grant so kindly made by you of the site near the Police Lines.

5. We all pray that God Almighty may continue to shower His choicest blessings for the long life of you and of every one in your family and ever-increasing prosperity.
